320GB / 500GB / 640GB / 750GB / 1TB

US military standard Shockproof Water Resistant Anti-pressure Cable Carry Backup & security software

Memory is personal

The Marine | Armor A70

2.5" Portable Hard Drive

· Water, pressure, vibration & dust proof

In compliance with IEC529 IPX7 waterproof test for one meter under water for 30 minutes, Armor A70 is still fully operation. It features dust, pressure-proof and ready for any unexpected situations such as rain, liquid-spillage or accidental drops.

· Mysterious red & black

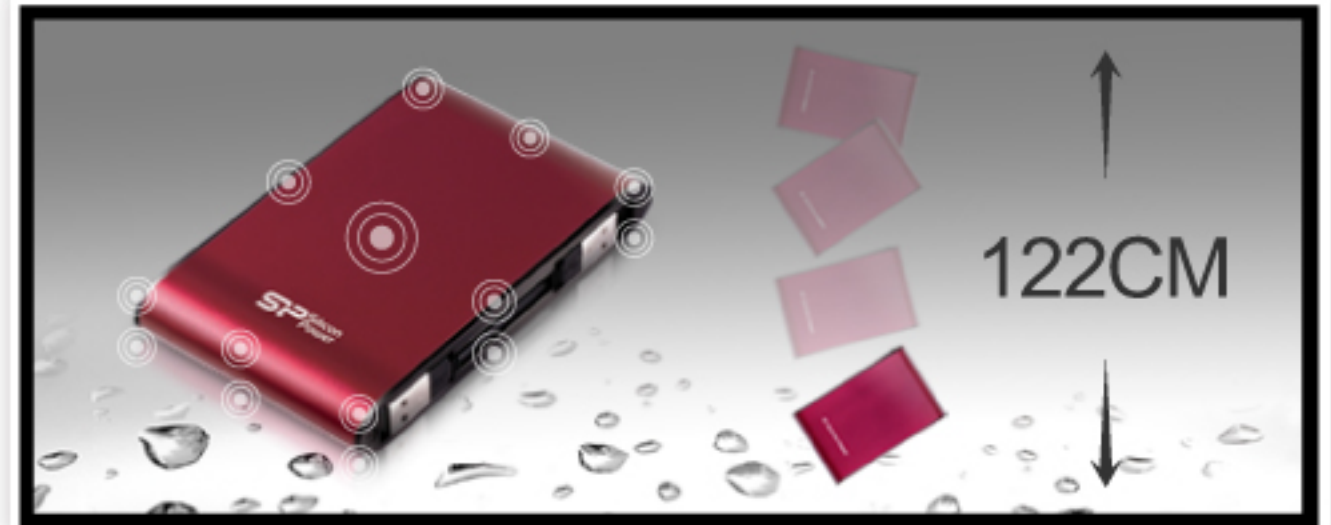

Armor A70 is designed with a fashionable retro feel in mysterious red or black blending in with its contour lines. It is designed with a delicate cable storage mechanism to better support its plug and play functionality.

Features

- Meet the water resistant standard " IEC 529 IPX7 "
- Meet the U.S. military drop-test standards MIL-STD-810F 516.5 procedure IV (transit drop test) with advanced two-stage anti-shock technology
- Anti-pressure and anti-dust function
- Cable carry design
- High capacity with high transferring rate 480Mbit/ sec.
- LED indicates power on and data access
- SP Widget free download software features seven main functions to maximize your SP Portable Hard Drive

· Shockproof

In compliance with US MIL-STD-810F (transit drop test), it was tested for
